Man made Global Warming AGW is Real Men Really Created

November 8th, 2014 - Guest Opinion Dr Tim Ball Man made global warming is real because it was humans who created the idea and proved independent of nature that human activity was the cause It is a real idea it is not real in fact It is in the same context as Goethe's comment that "The unnatural that too is"

Guardian Shocked that Florida Residents STILL Don't Buy

September 12th, 2017 - I am surprised the guardian didn't go to Mexico and try to report on how global warming had made the Earthquake so much worse Remember the message anything bad happening in world is caused by global warming As many of the comments above noted I think the IQ of the average citizen is a bit higher than some of the climate activists and they spot snake oil salesmen a mile away
