## **Magic and Warfare Appearance and Reality in Contemporary**

- This study explores the roles played by magic in contemporary African warfare specifically through the case of Sierra Leone to assess its impact on behaviour in conflict In the last two decades rituals designed to imbue people with supernatural power and make them immune to enemy fire have been

## **bol com Magic and Warfare 9780230621022 Nathalie**

November 18th, 2018 - Fascinating Sierra Leone s war has been extensively documented by journalists historians political scientists and anthropologists Quite apart from its theoretical intervention into strategic military studies Magic and Warfare is a valuable record of one of the least understood parts of this war

## **Magic and Warfare SpringerLink**

January 26th, 2019 - This study explores the roles played by magic in

contemporary African warfare specifically through the case of Sierra Leone to assess its impact on behaviour in conflict A conceptual framework is suggested for analysing culturally alien practices more broadly and to inform approaches to civilian and military intervention

### **Magic and Warfare Appearance and Reality in Contemporary**

- Wlodarczyk argues that the use of magic in warfare can be understood not as an illustration of how Africa's reality is qualitatively different from the West's but as appropriate and logical Here a conceptual framework is suggested for analysing culturally alien practices more broadly to inform approaches to civilian and military intervention not only in Africa but in conflict theatres
